26. To see if the town will vote to adopt the Zoning Ordinance as proposed by the Planning Board and substitute said Zoning Ordinance for existing similar Ordinances. The proposed Zoning Ordinance is as follows:

### **ZONING ORDINANCE**

Town of South Hampton, New Hampshire

#### **I - PURPOSE**

This ordinance is established pursuant to the authority conferred by Chapter 31 of the Revised Statutes Annotated of the State of New Hampshire, as amended, in order to preserve and improve the Town of South Hampton as a rural residential community and to continue its desirability as a place in which to live and to promote the health, welfare, morals, convenience, and safety of its citizens.

#### **II - DISTRICTS**

A. For the purpose of this ordinance, the Town of South Hampton is divided into the following districts as shown on the "South Hampton Zoning Map," which includes a "Wetland Conservation District Overlay," together with all amendments and explanatory matter thereon, said Map being filed with the Town Clerk and dated January 20, 1972.

## SOUTH HAMPTON TOWN REPORT

B. Districts are:

1. Rural - Residential District
2. Wetland Conservation District
3. Commercial District
4. Industrial District

### III - GENERAL PROVISIONS

All land and uses thereof shall be subject to the following regulations, restrictions, and conditions.

(1) No buildings, additions or structures shall be erected or moved without a permit and no structure shall be altered to an extent affecting the total value without the approval of the town Building Inspector to whom adequate plans and specifications of proposed building or alterations shall be submitted. A fee of not more than .04c a square foot or less than \$5,00 based on total living and non living areas shall accompany each application submitted. After issuance of a permit, construction must be commenced within six months and be substantially completed within two years, except that the Board of Adjustment may extend the time of completion upon application, in the event that in the opinion of the Building Inspector restrictions are not being met, the permit shall be revoked by the Town Selectmen.

(2) The Town Building Inspector shall base his approval or rejection of proposed plans upon the effect such operations are likely to have on the value and use of other property in the vicinity and upon the following schedule of requirements:

(a) Foundation shall be constructed of solid cement, brick, cement block or stone. Industrial structures and accessory buildings may be set on brick, stone or cement piers. All must have footings adequate to support the structure.

(b) Chimneys shall be constructed of stone, cement, cinder block or brick to the ground with fire proof flue lining throughout. All entrances shall be of fire proof construction.

(c) New buildings or structures must conform to National Building Code.

## SOUTH HAMPTON TOWN REPORT

(d) Roofs shall be constructed of wood, fire resistant shingles, metal or fire resisting composition.

(e) Every dwelling shall have a minimum ground floor area of 800 square feet for each family unit.

(f) All dwellings and buildings in private or public use shall be equipped with a sewage system which at least meets the specifications of the New Hampshire Pollution Commission and New Hampshire Department of Public Health. A permit for said sewage system must be obtained from the town health officer. A fee of no more than \$15.00 shall accompany each application for permit.

(g) Every building shall be set back from the front property line not less than 40 feet or such distance as shall conform with the existing building line of dwellings within 500 feet on either side and all dwellings set back at least 25 feet from rear and side lot lines, except where a person loses building by fire or other causes, said person may rebuild on same foundation within a period of one year.

(3) Butane gas or other bottled gas shall not be stored in any dwelling, nor in any building nearer than 50 feet from said dwelling.

(4) All gasoline storage shall comply with the New Hampshire State Law regarding such storage.

(5) Junk yards: Places for the storage of discarded machinery, vehicles or other scrap metals shall comply with Chapter 267 and 322 of the New Hampshire R. S. A. concerning the control of junk yards.

(6) Any uses of property that may be obnoxious, odor accompanied by the emission of odor smoke, refuse matter, dust, fumes or noise shall be prohibited.

(7) No property shall be used for the storage of discarded materials of any kind in a manner that is disorderly, unsightly, noxious or detrimental to the public or prejudicial to the general welfare.

## SOUTH HAMPTON TOWN REPORT

(8) Nothing in this ordinance shall prevent the occupant of the property being granted a permit for the erection or alteration of structures to be used for the sale of farm produce.

(9) Plot plans shall be filed with the Planning Board and if approved then to be submitted to the Building Inspector before work is commenced upon any development. Every building lot shall have a frontage of not less than 200 feet on an existing town approved road and shall be not less than two acres in area; for each additional family unit, there shall be 100 additional feet of frontage and 1 additional acre of land.

(10) No building shall exceed 32 feet in height.

(11) Permit fees for any structure of 5001 square feet or over shall be determined by the Selectmen.

(12) Restrictions shall not apply in the case of the small dairy rooms, root cellars, poultry houses, farm and storage sheds and other similar small structures to be so located on the owner's property as not to menace the property of another. However, such building shall not become the permanent dwelling of any family unit.

(3) Ordinary repairs or normal maintenance of existing structures in kind shall not be considered alterations.

### IV - RURAL-RESIDENTIAL DISTRICT

#### A. Permitted uses:

1. Any residential, agricultural, business, commercial or industrial buildings or uses existing at the time of the enactment of this ordinance.

2. One single family dwelling per lot.

3. Farming and related agricultural uses including the roadside sale of products grown or produced on the premises.

4. Churches, schools, and public buildings.

## SOUTH HAMPTON TOWN REPORT

5. An office or customary home occupation in a residence used by a person as his private residence, provided such use does not involve an extension of exterior modification of said residence and provided that the only external evidence of such use is a single sign which shall not exceed four square feet in area.

6. A single family residence may be constructed on a lot of record at the time this ordinance becomes effective regardless of the area or width of the lot provided that the owner owns no adjacent land which could be combined with such lot to meet the minimum requirements of this ordinance and provided that necessary approvals for on site water supply and sewage disposal system have been obtained.

B. Dimension and acreage requirements of a building lot shall be those set forth in Article III, Paragraph (9).

C. All other uses are prohibited.

## V - COMMERCIAL DISTRICT

This district shall be all land within 1000 feet of the center line of Route No. 150 on both sides thereof.

A. Permitted uses:

1. Any use permitted in the Rural Residential District.
2. Commercial business, wholesale and retail.
3. Mobile home parks, and retail sales of mobile homes.
4. Apartments-Condominiums.
5. Multi-Family units.

## SOUTH HAMPTON TOWN REPORT

B. Dimension and acreage requirements of a building lot shall be those set forth in Article III, Paragraph (9).

C. The plans for all commercial structures and uses shall first be submitted to the Planning Board for its approval in accordance with aesthetics and design standards consistent with the existing character of the community.

D. All other uses are prohibited.

## VI - INDUSTRIAL DISTRICT

### Section A.

Recognizing the possible need for industrial usage, the Planning Board shall consider any requests for such use, seek suitable areas which will not be detrimental to residential and commercial areas, and shall make recommendations for or against the re-zoning of such areas for industrial use together with regulations applicable thereto.

### Section B.

Any request for re-Zoning any particular plot from one district classification to another shall be referred to the Town Planning Board which shall hold at least two public hearings on the question; the same to be advertised at least fifteen days in advance by posting a notice of same in at least three public places in the town, and by publication in a paper in general circulation in the town. Upon hearing the evidence, the Board shall decide whether or not the change should be made, and accordingly, shall submit its recommendation to the voters in the manner required by New Hampshire Revised Statutes, as amended.

## VII - WETLAND CONSERVATION DISTRICT

### A. General

In the interest of public health, convenience, safety and welfare, the regulations of this district are intended to guide the use of areas of land with extended periods of high water tables:

1. To prevent the development of structures and land uses on naturally occurring wetlands which will contribute to pollution of surface and ground water by sewage.

## SOUTH HAMPTON TOWN REPORT

2. To prevent the destruction of natural wetlands which provide flood protection.

3. To prevent unnecessary or excessive expense to the town to provide and maintain essential services and utilities which arise because of misuse of wetlands.

4. To encourage those uses that can be appropriately and safely located in wetland areas.

### B. Boundaries

The Wetland Conservation District is hereby determined to be those areas delineated as poorly drained or very poorly drained soils identified in the Soil Survey Rockingham County New Hampshire issued August 1959 and revised for this ordinance by the USDA Soil Conservation District Service as herein defined is shown on a map or maps designated as the Town of South Hampton Wetland Conservation District Map and is a supplement to the "Zoning Map" this is the aerial photo of the Town of South Hampton, New Hampshire. For a detailed explanation of Soil Types see the Rockingham County New Hampshire Published Soil Survey on file with the Planning Board.

### C. Permitted Uses

Any use that does not result in the erection of any structure or alter the surface configuration by the addition of fill and that is otherwise permitted by this Ordinance.

## VIII - ADMINISTRATION

1. A building inspector may be appointed annually by the Board of Selectmen and he shall be the administrative officer under this ordinance; if the Selectmen do not appoint a building inspector, his administrative powers and duties shall be vested in the Board of Selectmen.

2. The Building Inspector shall require that the application for a building permit include a plot plan and contain all necessary information to enable him to ascertain whether proposed building or structure and its intended use comply with the provisions of this ordinance.

## SOUTH HAMPTON TOWN REPORT

3. The Buiding Inspector shall make known his decision in writing within 15 days from the date he received the application and he shall make inspections of all buildings in the process of construction and report any or all violations to the Selectmen.

4. The Town Building Inspector shall retain the first \$5.00 and half the balance of any permit fee. The remainder of the fee shall return to the town. This will be full compensation for services.

5. It shall be unlawful for any person to commence work for erection or alteration of any building or structure until a permit has been duly granted.

### IX

Within thirty (30) days after the adoption of this ordinance and thereafter as terms expire or vacancies occur, the Board of Selectmen shall make appointments to a Board of Adjustment of five members conforming in duties, membership and term of office to the provisions of Chapter 31 of the New Hampshire Revised Statutes Annotated as amended. Thereafter, as terms expire or vacancies occur, the Selectmen shall be responsible for filling vacancies and maintaining full membership on the Board of Adjustment.

### X

This ordinance shall in no way affect any dwellings, buildings, or recorded lots that are legally existing or substantially constructed at the time of its passing. A nonconforming use or structure shall not be:

A. Altered for use for a purpose, or in a manner substantially different from the use to which it was put before alteration;

B. Once changed to a conforming use, never to a nonconforming use;

C. Re-established after abandonment of land for one year and structure for two years, except to a use and/or structure conforming to this ordinance;

## **SOUTH HAMPTON TOWN REPORT**

D. Rebuilt after damage exceeding 75% of its gross physical valuation as determined by the local assessors, except in accordance with this ordinance. Any such ruined structure or foundation shall be removed to ground level and left in a safe condition within one year.

### **XI**

VALIDITY: should any section or provision of this ordinance be declared by a court of competent jurisdiction to be invalid, such decision shall not affect the validity of this ordinance as a whole or of any part thereof.

### **XII**

HIGHER STANDARD: when the regulations of this ordinance and those of another statute, ordinance, code, regulation or restriction govern the same situation, the one imposing the higher standard shall prevail.

### **XIII**

PENALTIES: Whoever violates any provisions of this ordinance shall be punished by a fine not exceeding (\$25.00) a day for each day of such violation after due notice has been received.

### **XIV**

This ordinance shall take effect immediately upon its passage.

27. To see if the Town will vote to adopt the Trailer Park Ordinance as proposed by the Planning Board. The proposed Trailer Park Ordinance is as follows:

## **TRAILER PARK ORDINANCE**

An Ordinance for the regulation of mobile homes, Trailer Coaches and Mobile Home Parks and Trailer Parks in the Town of South Hampton.

### **Section I - DEFINITIONS**

For the purpose of this Ordinance, the following words and phrases shall have the meaning ascribed to them in this section.

## SOUTH HAMPTON TOWN REPORT

**MOBILE HOME:** means a dwelling on wheels, commonly known as a house trailer, equipped with running water and sanitary facilities, bath and toilet. (when the unit is on a foundation with wheels and tongue removed, it shall nevertheless be governed by this ordinance).

**TRAILER PARK or MOBILE HOME PARK:** shall mean a plot of ground of not less than 20 acres on which 5 or more mobile homes occupied for dwelling purposes are located.

**MOBILE HOME STAND OR SPACE:** Must comply with minimum subdivision lot size.

**PERMIT:** shall mean a written permit issued by the Building Inspector and permitting the mobile home park to operate under this ordinance.

**TRAILER COACH:** is a mobile home, but it is not equipped with sanitary facilities, bath and toilet.

### Section II - NON - CONFORMING USES

**NON - CONFORMING USES:** Any lawful mobile park existing at the time of the adoption of this section may be continued although it does not conform to the standards and provisions contained herein. All such mobile home parks, however, must obtain a license according to procedures outlined in this section and comply with and maintain the minimum standards set forth in the Sanitary Laws and Regulations of the New Hampshire State Department of Health for Mobile Home and Trailer Parks. Any non-conforming mobile home park that is discontinued as a business enterprise shall not be issued a license for reestablishment except in conformity with this section. Expansion or alteration of existing mobile home parks will be permitted only in strict conformity with this section.

No mobile home shall be located in the Town of South Hampton except in a mobile home park or trailer park.

No occupied trailer shall be permitted in the Town of South Hampton except in a mobile home or trailer park.

## SOUTH HAMPTON TOWN REPORT

### Section III - PERMITS

**PERMIT:** It shall be unlawful for any person, persons, firm or corporation to maintain or operate a mobile home park within the Town of South Hampton unless he holds a valid permit which is issued annually by the Building Inspector and approved by the Planning Board.

Application for a mobile home park license shall be filed with and issued by the Building Inspector with the approval of the Planning Board and Selectmen for a calendar year. The application shall be in writing and signed by the applicant who shall file with the application proof of ownership of the premises or of a lease or written permission from the owner. The application shall be accompanied by two complete sets of plans drawn to scale showing the location of the proposed mobile home park, which shall show the name and address of the applicant; number location and size of developed and platted mobile home lots; those lots occupied and name of each lot occupant; location of any existing building and proposed structures; location, name and width of streets and walkways; and the location of water, sewer, gas and other utilities, and sewage disposal facilities.

Application for a license to operate a new mobile home park or to expand or alter an existing one shall require approval of park design by the Planning Board. The Board shall determine the adequacy of the design with respect to arrangement of lots, streets, and other facilities to assure conditions favorable to health, safety, and convenience.

Application for renewal of license shall be made in duplicate by the holder of the license to the Building Inspector, and shall contain any change in the last information submitted.

**FEES:** The Selectmen of the Town of South Hampton shall charge for the original, renewal or transfer, the amount of \$500.00. The period covered by such license shall be from April 1 through the following March 31. The license fees herein provided for, shall not be in lieu of all inspection and other fees, and not in lieu of local taxes.

## SOUTH HAMPTON TOWN REPORT

### Section IV - ROADWAYS

**ROADWAYS:** Roadways must comply with subdivision regulations.

**GENERAL LAYOUT:** A buffer strip to adjacent residential uses at least 200 feet deep, to other uses at least 100 feet deep, and a 150 foot setback appropriately landscaped to screen the park.

Walkways not less than three feet wide shall be provided from each mobile home stand to the street. All service buildings shall have similar walkways.

Off-street parking shall be provided in all mobile home parks where streets are less than 40 feet in width for the use of park occupants and guests. Such parking shall be furnished at the rate of at least two car spaces for each lot. Required car parking spaces shall be so located as to provide convenient access to the mobile home. In no event shall such spaces be located more than 200 feet from the mobile home that they are intended to serve.

All streets and walks within the park shall be adequately lighted at night.

### Section V - GENERAL

The mobile home stand shall provide an adequate foundation for the placement of a mobile home. Stand foundation shall be of such construction as to prevent heaving, shifting, or settling due to frost action.

The park shall be located on a site graded to insure drainage of surface and sub-surface water, sewerage, and freedom from stagnant pools.

Cabanas, awnings, or any other additions shall not be allowed to be attached to a mobile home unless such cabana, awning or other addition is a product clearly manufactured for mobile home use or the plans for same have been approved by the licensing authority.

Alterations and additions must comply with the local Building Code.

## SOUTH HAMPTON TOWN REPORT

No license shall be issued for a trailer coach for use of the same as a dwelling.

### SANITATION

**REPORTING OF COMMUNICABLE DISEASES:** Every mobile home or trailer park operator shall maintain a register containing a record of all occupants using the park. Such register shall contain the names and addresses of all mobile home or trailer occupants stopping in the park. Every owner, operator, attendant, or other person operating a mobile home or trailer park shall notify the local Health Officer immediately of any suspected communicable or contagious disease within the mobile home park. In the case of diseases diagnosed by a physician as quarantineable, such owner, operator, attendant or other person operating a mobile home or trailer park shall notify the Health Officer of the departure or the proposed departure of a mobile home or its occupants, or the removal therefrom of clothing or other articles which have been exposed to infection.

### INSPECTION

**INSPECTION OF MOBILE HOME AND TRAILER PARKS:** The Building Inspector is hereby authorized and directed to make inspections to determine the condition of mobile home and trailer parks located within the Town of South Hampton in order that he may perform his duty of safeguarding the health and safety of occupants of mobile home parks and of the general public. The Building Inspector or his duly authorized representative shall have the power to enter at reasonable times upon any private or public property for the purpose of inspecting and investigating conditions relating to the enforcement of this Ordinance.

### Section VI - WATER SUPPLY

1. **WATER SUPPLY:** An adequate and potable supply of water with a minimum of 40 pounds per square inch pressure at all times, shall be provided for each mobile home space or lot. The water source shall be capable of producing 3 gallons of potable water per mobile home lot per minute from a source approved by the Health Officer of the Town of South Hampton. If central water

## SOUTH HAMPTON TOWN REPORT

is supplied, hydrants must be installed. If individual wells are supplied, a water hole must be supplied. The minimum size of the water hole must be 50,000 gallons in the fall season.

2. All water piping, fixtures and other equipment shall be constructed and maintained in accordance with State and Town regulations and requirements and shall be of a type and in locations approved by the Building Inspector.

### Section VII - ELECTRICAL DISTRIBUTION SYSTEM

1. Every mobile home park shall contain an electrical wiring system consisting of wiring, fixtures, equipment, and appurtenances which shall be installed and maintained in accordance with applicable State and Town of South Hampton electrical codes and regulations governing such systems.

2. Main power lines not located underground shall be suspended at least 18 feet above the ground. There shall be a minimum horizontal clearance of three feet between overhead wiring and any mobile home, service building or other structure.

3. All direct burial conductors or cables shall be buried at least 18 inches below the ground surface and shall be insulated and specially designed for the purpose. Such conductors shall be located not less than one foot radial distance from water, sewer, gas or communication lines.

4. Each mobile home lot shall be provided with an approved disconnecting device and overcurrent protective equipment. The minimum service per outlet shall be 120/240 volts AC, 100 amperes.

5. Where the calculated load of the mobile home is more than 100 amperes either a second outlet receptacle shall be installed or electrical service shall be provided by means of permanently installed conductors.

6. Outlet receptacles at each mobile home stand shall be located not more than 20 feet from the overcurrent protective devices in the mobile home, and a three pole, three or four wire

## SOUTH HAMPTON TOWN REPORT

grounding type shall be used. Receptacles shall be of weather-proof construction and configuration shall be in accordance with American Standard Outlet Receptacle C-73.1.

7. A power post shall be located near each mobile home. Installed posts shall be buried not less than 30 inches in the ground with 48 inches exposed above ground complete with a support foot to prevent settling. Power posts shall be either 14-gauge galvanized steel with 16-gauge galvanized covers or four by four inch creosoted timber posts. The power outlet shall be contained in 16-gauge galvanized covers with the bottom edge of the covers protected with insulating edge guard to prevent wire damage, and a bushing to protect wires entering the power outlet. A lug for up to No. 4 wire shall be provided for proper electrical grounding. The power outlet shall consist of a weatherproof housing, a 60 or 100 ampere 250 volt, two pole, air circuit breaker with neutral bar, and a 60 or a 100 ampere 120/240 volt AC three pole with U-grounded pole utility power outlet and one duplex two pole U-grounded convenience receptacle.

8. All exposed non current carrying metal parts of mobile homes and all other equipment shall be grounded by means of an approved grounding conductor with branch circuit conductors or other approved method of grounded metallic wiring. The neutral conductor shall not be used as an equipment ground for the mobile home or other equipment.

## Section VII - REFUSE DISPOSAL

1. The storage, collection, and disposal of refuse in the mobile home park shall be so conducted as to create no health hazards, rodent harborage, insect breeding areas, accident or fire hazards, or air pollution.

2. Where municipal disposal service is not available, the mobile home park licensee shall provide flytight, watertight, rodent-proof containers in sufficient number which shall be located not more than 150 feet from any mobile home lot. All refuse shall be collected at least twice weekly and shall be transported in covered vehicles or covered containers to a disposal site approved by the Town or South Hampton.

### LIBRARY TRUSTEES REPORT

The year 1972 was one of some readjustment owing to curtailment of State Library services because of withdrawal of federal funds. However, it has been our good fortune to be part of a local book purchasing cooperative based on Hampton.

The Friends of the Library have again performed notable service to the community in giving \$200.00 to the Library Building Fund and a new outside book drop, to replace the inside one removed when the room in which it was installed was put to use for the school. Another service of the Friends of the Library is keeping the library open on Monday evenings.

This year it became necessary to extend the library hours to twelve a week to meet the requirements of membership in the Statewide Library Development Program.

Again the children's summer reading program was carried on with great success. Mrs. Carole McCarthy has continued her studies in the state extension courses in Public Library Techniques.

An improvement to the physical plant was the installation of fluorescent lighting.

A gift of \$25.00 in memory of Mr. And Mrs. P. Joseph McManus (Mrs. Cressy's parents) was made to the library by Mr. and Mrs. Horace Cressy.

The Trustees regretted the retirement of Natalie I. Blinn after many years of service, but welcomed to the board as her replacement, Marge Miller.

### REPORT OF FIRE CHIEF

The town had a total of 11 fire calls in 1972----6 stills and 5 box alarms.

1----car fire

1----truck fire

1----car accident All Still Alarms

1----chimney fire

2----smoke investigations

(1--with Amesbury; Chief Hess handled the other)

1----forest fire call Box 222

4----building fires

In every case a quick response from the Amesbury Fire Department kept the damage to a minimum.

On 5 - 1 - 72, one of the town's worst fires occurred. Mutual aid from several communities was called. With great cooperation, the Charles Mignosa house and several others were saved.

A special thanks should also go to the the Newton Fire Department for their assistance throughout the year.

A total of 11 fire permits, 7 oil burning permits, and one fire works permit were issued.

5 building inspections were made. Each were given fire safety laws and regulations.

3 fire drills were held in the Barnard School.

Expenses paid by the town for fire protection were:

State of N. H. tools	13.74
Town of Amesbury	500.00
Letter Heads	30.00
Ben's Men's Inc., equipment	19.98
Edward Hess, Fire Chief, gas	5.03

Davis Electric, repair of generator	14.46
Arthur Gaudet, equipment	88.66
<b>TOTAL</b>	<b>728.20</b>

## SOUTH HAMPTON TOWN REPORT

Also this year I had four water holes dug deeper which was done by Currier Construction, and was paid for out of the water hole budget.

As most of you know a Volunteer Fire Department has been organized. The purpose of this is to enable us to assist Amesbury at any of our fires. Through Civil Defense, we were able to purchase a 1942 Ford pumper, which we will also use to assist Amesbury. The following men are department volunteers:

Edward Hess, Chief; Albert Gray, John Gamble, Norman Felch, Greg Gosselin, Everett Spooner, Brent Cronin, Timmy Hoyt, Joe Lamoureux, Paul Stefanski, Philip Imbrescia, Sr., Philip Imbrescia, Jr., Larry Zagranis, Bill McCarthy, Bill Morin, William Brousseau, Fred Kozacka, Robert Cook, and Bruce Eaton.

Many hours of volunteered time have been spent to get our truck in service, and also our garage and yard ready.

This year the men of the department ran a turkey raffle, which earned us \$389.00. The following expenses were paid out of this money:

Gas and Oil	12.17
Mr. Gs	3.77
Mr. G's	60.00
(Turkeys)	
Regulator for fire truck	6.14
<b>TOTAL</b>	<b>82.08</b>

This leaves us with a balance of \$306.92, which will be used for repairs on the truck, hose, fixing the building, equipment for the truck and a supper to come in the future. (The cost of hose alone will be \$93.00 per 100 feet.)

The following fire departments donated equipment to us: Amesbury, Seabrook, and Exeter. This is much appreciated. The department would also like to thank Dixon Construction for the use of his equipment and gravel that was donated.

Remember, if you should have a fire, dial the Amesbury Fire Department - 388 - 1616. Be sure to give your name and address. Anything that I may do to help you with fire safety in your homes or any other questions you may have, please call 394 - 7733.

Respectfully submitted,

Edward J. Hess Jr.

Fire Chief

### REPORT OF THE CONSERVATION COMMISSION

This Commission has operated for the town's welfare upon the premise that anticipation of economic-environmental-social impact of change upon the equilibrium of the community is to the advantage of every citizen and is among the duties of the public officials. We endorsed the Wetland Conservation District included in the passage of zoning ordinances when new residents joined old to help keep our "country atmosphere" - long enjoyed or recently sought.

Commissioners, associate members and the youth sub-committee conducted many meetings and activities. Seventh and eighth grade science classes of Barnard School took part in the first nature walks at which instruction was ably and kindly given by Dr. Clothile Straus, botanist of the Portsmouth Conservation Commission. Indoor and outdoor ecology classes were held for the town's Recreational Commission's summer school.

Thirty young people conducted the annual spring roadside clean-up, adding recycled metal and glass which was sold to the Haverhill Recycling Program. Co-Chairmen Bill Morin and Bob Wood and several associate members provided guidance, transportation and refreshments.

Mary Mertinooke and Bob and Harriet Wood attended the annual meeting of the N. H. Association of Conservation Commissions at North Conway where the main topic of study was the solid waste incinerator. Chairman of an area committee, Frederick Felch of Seabrook, brought us preliminary plans for regional waste disposal and recycling which are high among factors in regard to future land use concerns.

Jonathon Ross attended the State Conservation Camp. Other contest winners were Barbara Brunet, Jennifer Harlow, Debbie Richards and Joel Stefanski who were enrolled in a camp that cancelled out. We plan to place their reservations early this year for the state camp.

The grant to start the Powow River Watershed Association was received from the Ford Foundation and initial contacts are underway through the Conservation Commissions of the eight member towns. The protection of soil, air and waters of the region from irresponsible or damaging usage will benefit all residents and

### **SOUTH HAMPTON and THE SOUTH EASTERN REGIONAL PLANNING COMMISSION**

The following is a review of events of the South Eastern Regional planning Commission.

The town of South Hampton voted for membership in the South Eastern Regional Planning Commission in March of 1972. Two Representatives from the town of South Hampton Howard C. Estabrook and Norman J. Felch were appointed by the Selectman in May 1972.

The Planning Commission holds monthly meetings and Special Sessions as required. During the first three months much assistance was given to the planning of the new sewerage plant in Portsmouth and vicinity.

During the last six months the preliminary plans for future land use and present open land use. Also population studies have been made along with economic studies a report has been issued on each of the studies made.

Presently the Commission is holding hearings on all its reports and projections for public consideration and views. Also the Commission is working with Seabrook, South Hampton, Kensington and Hampton Falls on a solid waste disposal system.

The Planning Commission is there to aide and assist the town in planning or organization of a plan, which could be very expensive to do with out the commission.

### RECREATION COMMISSION REPORT

The Commission has held meetings with the Selectmen, Conservation Commission, and State Director, Richard A. Tapply. The Commission has attended state meetings and workshops.

In our study of total acreage of community owned land that is usable for recreation we find 2 plus acres known as the Ball Park located on Hilldale Ave., land the Town Hall building is on and a strip of land called the Town Common, which is still in question of ownership.

The Commission has written to several land - owners for a Deed of Easement, Deed of Dedication, or Sale of Land. If Deed of Easement, Deed of Dedication is given to the town, the land - owner will have the right to stipulate it's usage. This in turn is supervised by the Recreation Commission, Conservation Commission, with the approval of the Selectmen.

Easements can be cancelled by sale, purchase, release, abandonment or condemnation. If Easement is given by Will or Deed, there may be estate tax benefits. Gifts to towns are also deductible for tax purposes. All land given by Easement and Deed will be governed by the state laws.

The State Line Field and Stream Club has given the Commission the use of their 40 plus acres, for Recreation; when they are not using same, as yet we have not walked the acreage with them.

In the spring we have an appointment with the town and state officials to make a survey for recreation at the State Forest.

Through our study we realize that our town does not own water front footage. Where can we establish **OUR** town beach?

The money that was appropriated to the Commission was used for a summer playground program. The program ran for 5 weeks Tuesdays and Thursday mornings from 9-12 am. the Average of 30 children participated, grades K to 6 attended.

Mrs. Lucyann Wing was hired as playground Director. Mrs. Wing attended and graduated from Barnard School, Amesbury High School and Notre Dame College, she has a B.A. Degree in Art and Education.

We found her to be very competent as a Playground Director, the children did many interesting projects under her direction.

The Commission wishes to thank all the parents that gave help, the 7th, 8th and 9th grade girls and boys that came to playground to be with and make friends with the children, Mrs Ellen Cressy,

## SOUTH HAMPTON TOWN REPORT

### SUPERINTENDENT'S REPORT

To the School Board and Citizens of South Hampton:

I submit, herewith, my annual report for the South Hampton School District.

The State Board of Education has mandated that each Supervisory Union is to prepare a master plan for staff development. By July 1 of 1975 we must submit individual requirements based on this plan for all certificated personnel within Supervisory Union #21. These programs will replace the certification requirements now in existence that are based on the accumulation of college credits.

Specified activities for continued certification must fit within the following categories:

1. Knowledge of subject or service area.
2. Basic teaching skills.
3. Orientation restructure and operation of local schools.
4. Exploratory or innovative activities.

A fifteen man committee made up of pupils, parents, teachers, and administrators has been elected and is at the present time working to meet State requirements through recommendations to the several school boards.

Their first task is a needs assessment. This will be an examination of programs and personnel throughout the Union to determine what procedures for staff recertification can be implemented to best serve the needs of our communities.

Their task is a most important and difficult one. I wish them Well!

As part of my report I will include the lists of the revised Powers and Duties of the Superintendents, School Boards, and Principals as voted by the State Board of Education on January 17, 1973.

Preamble - The Superintendent shall serve as the executive head of the public schools. He shall be responsible for planning and administering their affairs subject to statutory requirements, the regulations of the State Board of Education, and the policies of the local districts. The position shall develop and maintain a system of public schools, capably staffed to provide quality education and

## SOUTH HAMPTON TOWN REPORT

supportive services. The Superintendent shall provide, develop and implement the procedures to achieve educational objectives within his administrative unit.

In performance of those duties, he shall be directly responsible to the State Board of Education through its Commissioner, and the Board or Boards of the Supervisory Union.

The Superintendent may be supported by one or more assistants such as assistant superintendents, business administrators and teacher consultants. He shall delegate such of his duties as is necessary and desirable for the efficient completion of the requirements of the position.

1. The Superintendent shall nominate all professional central office personnel.
2. The Superintendent shall direct and supervise the work of all employees of the district and shall have all powers necessary to make such direction effective. While the Superintendent has ultimate responsibility, he may delegate powers and duties to other personnel.
3. He shall nominate all certificated staff and appoint other employees in accordance with the laws, regulations of the State Board of Education, and school board policies.
4. He shall be responsible for the selection and purchase of textbooks and all other scholastic apparatus and supplies in accordance with the regulations of the school board and the State Board and see that the same are suitably distributed to the school, accurately accounted for and economically used.
5. He shall be responsible for developing and recommending to the school board the annual budget for the support of the educational program and for the operation and maintenance of schools in accordance with School Board Policy.
6. He shall be responsible for an accounting system and financial reporting procedure in order that all funds will be accounted for in accordance with local school board policy, and local and state law.
7. He shall be responsible for the development of an educational plan for the district or districts and for recommending a program of studies suitable to the needs of the pupils and the community in accordance with local school board policies, state statutes and State Board regulations.
8. The Superintendent may, for cause, remove a teacher or other employee of the District in accordance with state statutes.

## SOUTH HAMPTON TOWN REPORT

9. He shall recommend the dismissal of certified staff to the Board, recognizing its authority to dismiss according to the statutes.
10. He shall provide for temporary vacancies and shall have the authority to secure supplies immediately needed for the operation of the schools.
11. He shall be responsible for maintaining records and making reports as required by the State Board of Education and the local school boards.
12. He shall admit pupils to school attendance in accordance with the laws of the state and the regulations of the State Board and policies of the local board. He shall assign them to such classes and grades as he finds their needs warrant.
13. He shall provide for the alleviation of hazardous conditions of an emergency nature that affect the health and welfare of pupils.
14. He shall be responsible for the evaluation of personnel and programs in accordance with local school board policies.
15. He shall be responsible, after notice, for the implementation of the policies and regulations of the State Board of Education. He is expected to participate in the development and evaluation of said policies and regulations as requested by the Commissioner of Education.

### **School Boards**

1. The school boards shall adopt such policies as are necessary and desirable to control and effectuate the recruitment, employment, evaluation, and dismissal of teachers and other employees and may delegate authority to the superintendent of schools to carry out the provisions of such policies excepting that no teacher shall be employed who has not been nominated by the superintendent of schools and elected by the school board.
2. The school board shall adopt such policies as are necessary desirable to control and effectuate the purchase of equipment, supplies, or services and may delegate to the superintendent of schools the authority to make commitments in accordance with such policy.

## SOUTH HAMPTON TOWN REPORT

3. The school board shall, through appropriate planning and required action, make suitable provision for the physical accommodation of all students in approved schoolhouses or other suitable facilities; shall provide required transportation of students; and shall provide that all school buildings and other learning environments be maintained in a manner consistent with acceptable standards of health and safety.
4. The school boards shall seasonably prepare a budget of school expenditures and make suitable and timely assignment of the school money to the various needs of the schools. In state aided districts, accounts shall be kept as the State Board shall require and shall be open at all times to the inspection of the superintendent, any other officer of the State Board and to the public in accordance with the Laws of the State of New Hampshire.
5. They shall hold meetings for the transaction of business at least once in two months and shall require the attendance of the superintendent or his designee. The board shall cause a written record to be kept of each meeting.
6. School boards shall, in consultation with the Superintendent and in accordance with statutes and regulations of the State Board of Education, determine the educational goals of the district, develop long-range plans and identify measurable and attainable short-term objectives. The school board shall require the implementation of educational programs designed to require the appropriate review of such programs and make public the results of such investigation.
7. The school board shall exercise all powers and perform all duties vested in and imposed upon the school board by law or regulations of the State Board which are not committed to the superintendent or by them expressly delegated to him.

### Principals

1. The school principal shall be responsible for the internal organizational structure of the school, the programs of the school, the governance of the student body, the utilization of technology and the utilization of the plant in accordance with local school board policy and/or as directed by the superintendent of schools.

## SOUTH HAMPTON TOWN REPORT

2. The school principal shall evaluate and make recommendations to the superintendent concerning candidates for professional and non-professional positions within the school administrative unit in accordance with local school board policy and/or as directed by the superintendent of schools.
3. The school principal shall assign, direct, and evaluate all personnel employed within the school administrative unit in accordance with local school board policy, administrative regulations, and as directed by the superintendent of schools.
4. The school principal shall perform any other duties assigned by the superintendent of schools in accordance with local school board policy, state statutes and regulations of the State Board of Education.

Enrollments as of January 31, 1973 are as follows:

Hampton	1536
Hampton Falls	152
New Castle	70

I would like to thank the students, staff, school board members, and citizens of South Hampton for assisting me over the past year.

Respectfully Submitted,  
RICHARD C. HAMILTON  
Superintendent of Schools

### COPY OF MINUTES

**South Hampton, N. H. March 14, 1972**

The annual meeting of the South Hampton, New Hampshire School District was called to order at 8:12 p.m. by Moderator Horace Cressy. The warrant now attached to page 194 was read

**Article I** - Herbert Taylor spoke regarding the School Needs Committee of which he was Chairman. He stated he had one meeting to investigate the possibility of looking into building a school. He believes we have adequate facilities at the present time, but we do not need to build one at the present time. Charles Spear stated, Richard Miller of the School Building Committee sent his report which stated the school site is for 200 pupils in grades one to eight. There would be no room for an athletic field at a cost of about \$500,000. After discussion on this article<sup>1</sup> Mr. Spear moved to accept this article as read, H. Taylor seconded. Voted in the affirmative.

**Article II** - Thomas Harlow moved that this article be accepted as read, seconded by Ann Stefanski. Voted in the affirmative.

**Article III** - Herbert Taylor moved that this article be accepted as read, seconded by T. Harlow. Ernest Bonah made a motion "to postpone this item indefinitely." Donald Hellen of the Barnard Trustees spoke regarding education and "the trustees are sworn to free education". Discussion by several people followed on this article. Motion by Ernest Bonah, seconded by Calvin Eaton. Motion lost. Mr. Spear introduced the Union Office staff Supt. Richard Hamilton, Business Administrator, Robert Nolet, Teacher Consultant, Carolyn Sweetser and Pirincipal Terry Marinos. He moved that permission to speak be granted, seconded by H. Taylor. Voted in the affirmative.

**Article IV** - Mr. Spear moved that the sum of \$6,420 be raised as stated in this article. Seconded by David Riecks. Ernest Bonah wanted an explanation of this article. Mr. Spear stated that there was an increase of \$196 per pupil in January of 1971. Tuition is now \$996 per pupil. Mr. Hamilton stated that Mr. O'Neil was unsuccessful in working something out with Amesbury. Article four voted in the affirmative.

## SOUTH HAMPTON TOWN REPORT

**Article V** - H. Taylor moved that the sum of \$156,974.37 be appropriated for the district. T. Harlow seconded. H. Taylor explained the large increase was due to the increase in tuition and teachers negotiations. Article voted in the affirmative.

**Article VI** - Calvin Eaton spoke on the idea of making an athletic field out of the Gray property rather than have it sit there. H. Taylor suggested if we do it now, it will deteriorate very easily and the upkeep would be costly. Discussion followed by those in attendance. It was suggested that a letter to the School Needs Committee be sent so they could investigate improvements to the property and make a report for the next meeting.

A round of applause was given David Riecks as an outgoing board member.

Few people were in attendance due to a bad snow storm. Meeting adjourned at 9:28 p.m. seconded by Michael Santosuosso.

Respectfully submitted,  
Audrey G. Brunet, Clerk
